

Hello!

Congratulations - you are officially a **2011 Star Film Club!** We thoroughly enjoyed reading the hundreds of nominations from members and leaders telling us what makes their club special. We know that running a successful club requires dedication, flair and energy and that FILMCLUB is a magnet for inspirational teachers like you. We are delighted to be able to recognise and reward your efforts and here's how we're going to do it.

As a Star, you will be getting:

- Specially designed Star posters to advertise your Star Status in school
- Unique Star membership cards for your member
- one cinema voucher a month for a year so that you can keep up with all the new releases - or you may choose to use them as prizes for your members or save them up for a trip (**please email Helen with the name of your local cinema/s**)
- priority for visits and tickets for special screenings and festivals

And in return we may ask you to share your expertise and secrets of your success as part of a Star Club Case Study, for one of our surveys or simply to share good practice.

We hope that being a Star Club will inspire you and your members to continue watching amazing films and writing insightful reviews, thank you for your hard work and warmest congratulations once again.
