

Personal, Social and Emotional Development

This term the children will be continuing to develop their confidence to initiate their own ideas and speak in front of the class. Children will share their news and family books to tell each other about their holidays. We are focusing on maintaining attention, concentrating and sitting quietly, to listen when appropriate and not shout out. We will play lots of listening games such as Wishy Whispers to help us to do this. We will be continuing with peer massage to have a developing awareness of own needs and the feelings and needs of others
